103 Ethics and the Right of Way Profession 03.21.2017 Phoenix, AZ

Course 103 - Ethics and the Right of Way Profession

Course Description:

This course outlines the concept of ethics and acquaints the right of way professional with the Rules of Professional Conduct and Disciplinary Procedures. This course combines lecture and practical learning exercises as a means of exchanging ideas and solutions to ethical conflicts within the right of way profession.

Ethics courses are applicable to all IRWA Credentialing programs. Successful completion of Course 103 (or Course 104 "Standards of Practice for the Right of Way Professional") is a requirement for initial completion of all IRWA Credentialing programs. Successful completion of either the ethics or standards courses is also mandatory every five years for recertification purposes..

Topics:

- Basic concepts contained in the IRWA Code of Ethics (Code) and the Rules of Professional Conduct (Rules)
- Importance of the Code and Rules
- Applications of the Code and Rules
- Disciplinary regulations that administer the Code and Rules
- Recognizing inappropriate professional behavior and identify situations that may produce complaints about ethics
- Practical suggestions for resolving conflicts of ethics when they occur

Course Level:

Ethics

Course Tuition Includes:

- Participant Manual

Who Should Take this Course:

This course is designed for right of way professionals who are in need of ideas and practical solutions for understanding and resolving ethical conflicts as well as those who need to recertify.
