resident's Message...

I am happy to inform you that the changes in the chapter that I mentioned last month are taking shape. This message is in our second newsletter published by Paula Day. And the new website is up and running. From what I can tell it is now fully operational thanks to the work of Christine Gibson. The new website address is irwachapter28.org. We appreciate those who have volunteered to help make these changes, including those who have taken on additional responsibilities!

There are a number of upcoming IRWA events to look forward to. Our next luncheon will be June 10 at the Cibola Vista Resort & Spa. Our speaker will be Tom Liddy, attorney and former radio talk show host of the Liddy and Hill show on KFYI and KKNT. The 54th Annual International Education Conference will be held June 22 through June 25 in Austin Texas. There are a number of our chapter members who will be attending. Three classes will be held at the end of July/beginning of August (103-Ethics and the Right of Way Profession, 400-Principles of Real Estate Appraisal, and 600-Introduction to Environmental Issues). And finally, our annual education seminar will be September 10, 11 and 12. In recognition of the fact that it is our 50th annual seminar, our theme will be "Looking Toward The Next 50 Years." A number of interesting speakers have been confirmed and others are in the works. These speakers will focus on trends and developments that we will see more of in the future. Classes planned for the Seminar are 200-Principles of Real Estate Negotiation and 410-Reviewing Appraisals in Eminent Domain. As always, we are looking for sponsors for the seminar. If you or your organization would like to be one of our sponsors, please contact any member of the executive board or seminar committee. And thanks for your support!

We're on the web!

After you've done a thing the same way for two years, look it over carefully. After five years, look at it with suspicion. And after ten years, throw it away and start all over.
